

Session Program

27 September 2021 to 1 October 2021

The 16th International Workshop on Tau Lepton Physics (TAU2021) (Virtual Edition)

Poster session: Breakout room 3

Indiana University, Virtual

Thursday 30 September

10:50

Poster session: Breakout room 3

Session | Location: Indiana University, Virtual

10:50-12:50

Non zero θ_{13} and δ_{CP} in a realistic neutrino mass model with discrete A_4 family symmetry and perturbation to Tri-bimaximal mixing via $z_2 \times z_2$ invariant perturbation in the neutrino sector.

Speaker

Gayatri Ghosh

10:50-12:50

Neutrino mixing and Leptogenesis with modular S_3 symmetry in the framework of type III seesaw

Speaker

Subhasmita Mishra
