

Session Program

27 September 2021 to 1 October 2021

The 16th International Workshop on Tau Lepton Physics (TAU2021) (Virtual Edition)

Poster session: Breakout room 4

Indiana University, Virtual

Thursday 30 September

10:50

Poster session: Breakout room 4

Session | **Location:** Indiana University, Virtual

10:50-12:50

Exploring Neutrino Masses and Mixing in the Seesaw Model with L_e-L_τ Gauged Symmetry

Speaker

Papia Panda

10:50-12:50

Dark matter by sterile neutrino and the new Z burst road map

Speaker

Daniele Fargion

12:50
