

Session Program

27 September 2021 to 1 October 2021

The 16th International Workshop on Tau Lepton Physics (TAU2021) (Virtual Edition)

Poster session: Breakout room 6

Indiana University, Virtual

Thursday 30 September

10:50

Poster session: Breakout room 6

Session | Location: Indiana University, Virtual

10:50-12:50

Searching for lepton flavor violating interactions at future electron-positron colliders

Speaker

Dr Reza Jafari

10:50-12:50

Search for lepton-flavor-violating decays of the Tau lepton at a future muon collider

Speaker

Gholamhossein Haghghat

12:50
