

Session Program

27 September 2021 to 1 October 2021

**The 16th International Workshop on Tau
Lepton Physics (TAU2021) (Virtual Edition)**

Poster session: Breakout room 8

Indiana University, Virtual

Thursday 30 September

10:50

Poster session: Breakout room 8

Session | Location: Indiana University, Virtual

10:50-12:50

Semi- and di-tauonic B decays and LFUV at future e^+e^- colliders

Speaker

Lingfeng Li

10:50-12:50

Implications of new physics in $\Lambda_b \to \Lambda_c \ell \bar{\nu}_\ell$ decay processes.

Speaker

Ms Aishwarya Bhatta

12:50
