

Session Program

27 September 2021 to 1 October 2021

The 16th International Workshop on Tau Lepton Physics (TAU2021) (Virtual Edition)

Poster session: Breakout room 9

Indiana University, Virtual

Thursday 30 September

10:50

Poster session: Breakout room 9

Session | Location: Indiana University, Virtual

10:50-12:50

Dark matter and flavor anomalies with vector-like fermions and scalar leptoquark

Speaker

Shivaramakrishna Singirala

10:50-12:50

Impact of (axial)vector coefficients on $B \rightarrow K_1 \ell \ell$ decay modes

Speaker

Suchismita Sahoo

12:50
