

## C11 members

Bernhard Spaan (Technischen Universität Dortmund), who had been elected at the 30<sup>th</sup> IUPAP General Assembly as a member of C11, sadly passed away in December 2021.

Germany selected Isabell Melzer-Pellman (DESY, Hamburg) to replace Bernhard Spaan.

We will then ask the 31<sup>st</sup> GA to elect Isabell Melzer-Pellman for two years as replacement for Bernhard Spaan.
