

## **Resolution on IUPAP's restructuring**

In view of the self-evaluation [report](#) that was presented to the 32<sup>nd</sup> IUPAP General Assembly in 2023, the report produced by the External Evaluation Committee in 2024 (<https://cernbox.cern.ch/s/pPHeZmymmJSRyke>), the documents for discussion on Working Groups ([https://indico.cern.ch/event/1369383/contributions/5764256/attachments/2923856/5154935/support information to discuss about WGs.pdf](https://indico.cern.ch/event/1369383/contributions/5764256/attachments/2923856/5154935/support%20information%20to%20discuss%20about%20WGs.pdf)) and Affiliated Commissions ([https://indico.cern.ch/event/1369383/contributions/5764256/attachments/2923856/5154934/support information to discuss about ACs.pdf](https://indico.cern.ch/event/1369383/contributions/5764256/attachments/2923856/5154934/support%20information%20to%20discuss%20about%20ACs.pdf)), the 33<sup>rd</sup> IUPAP General Assembly charges the incoming President to set up, in consultation with EC, a task force that will analyze all these reports and documents and bring a preliminary proposal for the restructuring of IUPAP to be discussed at the next General Assembly to be held in 2025. The composition of the task force should be established by the end of 2024.
