

Terms of reference

IUPAP Membership and Development Committee

Mandate

To advance the interests of territorial, corporate and associate territorial members of the Union, and support and facilitate the incorporation of new members to advance the global development of physics.

Modus operandi

The Committee shall liaise closely with the Executive Council, the Secretariat, all commissions and working groups and especially with C13, C14, WG5, WG16 and IAPS (though AC5), and shall engage with member adhering bodies, liaison committees, physical societies, governments, and corporations as necessary to further its mandate. The Committee will meet a minimum of twice a year. The Secretariat will provide secretarial support for the Committee.

Composition

The Committee will be chaired by the Vice President Membership and Development and will include the Secretary General for Financial Affairs and up to four individuals appointed by the Executive Council. The Vice President Membership and Development may coopt additional members as necessary. The Committee will be renewed by the Executive Council on a three-year cycle.
