	Registration				
	Welcome and keynote	Top-pair cross section	Top mass	Top and Higgs in the SM	Perspectives
	Status of LHC, physics objects and performances at 13 TeV				Coffee break
	Coffee break	Coffee break	Coffee break	Coffee break	Organization of TOP2016 and summary
	Status of LHC, physics objects and performances at 13 TeV	Top-pair cross section	Top mass and combinations	Top and Higgs boson beyond SM	
		Top-quark properties (incl. single top)			
	Lunch	Lunch	Lunch	Lunch	Lunch
	Registration	First physics results from run II at 13 TeV (non-top phys. relevant for top)	Excursion	Top and Exotica/SuSy	Departure
		Coffee break		Coffee break	
	Top reconstruction tools, incl. boosted top	Single top		Differential cross sections mini-workshop	
	Reception				
	Dinner	Poster session with buffet dinner	Young scientists forum		
			Dinner	Conference dinner	Dinner
		Q&A session		Q&A session
