

## **Session Program**

**30 November 2020 to 2 December 2020**

# **PITT PACC Workshop: Muon collider physics**

## ***Machine general / SM***

University of Pittsburgh  
Pittsburgh, PA 15260

# Monday 30 November

13:00

## Machine general / SM

**Session** | **Location:** University of Pittsburgh | **Convener:** Ayres Freitas

13:00–13:30 **Current status of muon collider program**

**Speaker**  
Daniel Schulte

13:30–14:30 **Why building a muon collider**

**Speaker**  
Andrea Wulzer

14:30–15:00 **Theoretical predictions for a muon collider**

**Speaker**  
Fabio Maltoni

15:00–16:00 **Standard Model physics at high-energy muon colliders**

**Speaker**  
Keping Xie

16:00
