

Session Program

30 November 2020 to 2 December 2020

PITT PACC Workshop: Muon collider physics

Muon Collider

University of Pittsburgh
Pittsburgh, PA 15260

Tuesday 1 December

10:00

Muon Collider

Session | Location: University of Pittsburgh, Pittsburgh, PA 15260 | Convener: Dr Cedric Weiland

10:00-11:00 Muon Collider against the Backdrop of Fundamental Physics

Speaker
Raman Sundrum

11:00-11:30 MAP Feasibility Studies as the Basis for Future Capabilities

Speaker
Mark Palmer

11:30-11:45 Overview of Ionization Cooling for a Muon Collider

Speaker
Diktys Stratakis

11:45-12:15 Q&A

12:15
