

Session Program

30 November 2020 to 2 December 2020

PITT PACC Workshop: Muon collider physics

Higgs

University of Pittsburgh
Pittsburgh, PA 15260

Tuesday 1 December

13:00

Higgs

Session | **Location:** University of Pittsburgh, Pittsburgh, PA 15260 | **Convener:** Keping Xie

13:00–14:00 **Physics at Higgs factories**

Speaker
Zhen Liu

14:00–14:30 **Higgs at high energy muon collider**

Speaker
Xing Wang

14:30–15:00

Measuring the quartic Higgs self-coupling at a multi-TeV muon collider

Speaker
Mauro Chiesa

15:00–15:30 **2HDM at a high-energy muon collider**

Speaker
Shufang Su

15:30–16:00 **Composite resonances at a multi-TeV muon collider**

Speaker
Ke-Pan Xie

16:00
