

## **Session Program**

**30 November 2020 to 2 December 2020**

# **PITT PACC Workshop: Muon collider physics** ***Neutrinos, leptons and DM***

University of Pittsburgh  
Pittsburgh, PA 15260

# Wednesday 2 December

13:00

## Neutrinos, leptons and DM

**Session** | **Location:** University of Pittsburgh, Pittsburgh, PA 15260 | **Convener:** Brian Thomas Batell

**13:00-14:00**   **Neutrino physics at the neutrino factory**

**Speaker**  
Patrick Huber

**14:00-14:30**   **A Guaranteed Discovery at Future Muon Colliders**

**Speaker**  
Rodolfo Capdevilla

**14:30-15:00**   **Complementary Probes of Lepton Flavor at a Muon Collider**

**Speaker**  
Samuel Homiller

**15:00-16:00**   **WIMP DM**

**Speaker**  
Liantao Wang

16:00
