Session Program

10-11 Oct 2024

ML Tools for Physics at Colliders

Generative models and probabilistic ML

CERN, 354/1-016

Friday 11 October

09:00

Generative models and probabilistic ML: Generative models and probabilistic ML
Session | **Location:** CERN, 354/1-016 | **Convener:** Davide Valsecchi

09:00–10:25 **Introduction to Normalizing Flows**

Speaker
Davide Valsecchi

10:25–12:00 **Normalizing Flows for event boost conditional probability**

Speaker
Davide Valsecchi

12:00–13:00 **Normalizing Flows for neutrinos generation in WW**

Speaker
Davide Valsecchi

13:00
