

Session Program

7-9 Apr 2021

PITT PACC Workshop: LHC physics for Run 3
Precision physics with leptons & photons

University of Pittsburgh
Pittsburgh, PA 15260

Wednesday 7 April

13:30

Precision physics with leptons & photons

Session | **Location:** University of Pittsburgh, Pittsburgh, PA 15260 | **Convener:** James Alfred Mueller

13:30–14:00

SM Higgs

Speaker

Sarah Heim

14:00–14:30

Electroweak SM measurements: VBS, triboson

Speaker

Junjie Zhu

14:30–15:00

Top physics: opportunities and challenges

Speaker

Andreas Jung

15:00
