

## Phenomenology 2022 Symposium: From Virtual to Real

Contribution ID: 154

Type: **not specified**

### BSM Higgs decays and extended Higgs sectors in CMS

*Monday 9 May 2022 15:45 (15 minutes)*

This talk will cover research searches for extended Higgs sectors, including additional (charged) Higgs bosons and resonant HH production. The talk will also cover searches for BSM decays of the H(125) boson.
