

Session Program

29-31 Oct 2018

HARPS meeting

Progress on resummation

Other Institutes
Aula 603, Department of Physics, University of Genova

Monday 29 October

14:00

Progress on resummation: higher accuracy

Session | **Location:** Other Institutes, Aula 603, Department of Physics, University of Genova

14:00–15:00

Transverse-momentum resummation at N³LL.

Speaker

Paolo Torrielli

15:00–16:00

Combining QED and QCD transverse-momentum resummation

Speaker

Giancarlo Ferrera

16:00

16:30

Progress on resummation: colour and automation

Session | **Location:** Other Institutes, Aula 603, Department of Physics, University of Genova

16:30–17:30

Final-state resummation at NNLL

Speaker

Pier Francesco Monni

17:30–18:30

Parton shower vs resummation

Speaker

Daniel Reichelt

18:30
