

Session Program

16-20 Jan 2017

III Saha Theory Workshop: Aspects of Early Universe Cosmology

Monday Noon session

Saha Institute of Nuclear Physics, Auditorium
Sector - 1, Block - AF Bidhan Nagar, Kolkata- 700064 , India Website: <http://www.saha.ac.in/>

Monday 16 January

11:30

Monday Noon session

Session |**Location:** Saha Institute of Nuclear Physics, Auditorium, Sector - 1, Block - AF Bidhan Nagar, Kolkata- 700064 , India**Website:** <http://www.saha.ac.in/> |**Convener:** Pijushpani Bhattacharjee

11:30-12:05

HI in the post reionisation era with OWFA**Speaker**

Jayaram N Chengalur

12:05-12:40

The Information hidden in the CMB spectral distortions**Speaker**

Rishi Khatri

12:40-12:55

Effects of inhomogeneous reionization on CMB anisotropy**Speaker**

Anirban Roy

12:55
