

Session Program

16-20 Jan 2017

III Saha Theory Workshop: Aspects of Early Universe Cosmology

Wednesday Noon Session

Saha Institute of Nuclear Physics, Auditorium
Sector - 1, Block - AF Bidhan Nagar, Kolkata- 700064 , India Website: <http://www.saha.ac.in/>

Wednesday 18 January

11:30

Wednesday Noon Session

Session |**Location:** Saha Institute of Nuclear Physics, Auditorium, Sector - 1, Block - AF Bidhan Nagar, Kolkata- 700064 , India**Website:** <http://www.saha.ac.in/> |**Convener:** Stefan Antusch

11:30-12:05

Baryogenesis from Primordial Black Holes

Speaker

Satoshi Iso

12:05-12:40

Bell violation in the Sky

Speaker

Sayantan Chowdhury

12:40-12:55

Constraints on cosmological viscosity and self-interacting dark matter from gravitational wave observations

Speaker

Gaurav Goswami

12:55
