

## **Session Program**

**16-20 Jan 2017**

# **III Saha Theory Workshop: Aspects of Early Universe Cosmology**

## ***Friday morning Session***

Saha Institute of Nuclear Physics, Auditorium  
Sector - 1, Block - AF Bidhan Nagar, Kolkata- 700064 , India Website: <http://www.saha.ac.in/>

## Friday 20 January

09:30

### Friday morning Session

**Session** |**Location:** Saha Institute of Nuclear Physics, Auditorium, Sector - 1, Block - AF Bidhan Nagar, Kolkata- 700064 , India**Website:** <http://www.saha.ac.in/> |**Convener:** Probir Roy

09:30-10:05

**Oscillons: Gravitational wave factories in the early universe****Speaker**

Stefan Antusch

10:05-10:40

**Inflation and Gravitational Wave****Speaker**

Valerie Domcke

10:40-10:55

**Symmetry Constraints in Inflation****Speaker**

Ashish Shukla

10:55
