

Session Program

13-17 Jan 2020

Saha Theory Workshop 2020: Amplitudes & Correlators

Eigenstate Thermalization Hypothesis and Conformal Field Theory

Saha Institute of Nuclear Physics, Venue: Auditorium

Address: Sector-1, Block-AF, Bidhan Nagar, Kolkata 700064, India Website: <http://www.saha.ac.in/>

Monday 13 January

10:30

Eigenstate Thermalization Hypothesis and Conformal Field Theory: Review

Session | **Location:** SINP, Auditorium, LH1

12:30

14:00

Eigenstate Thermalization Hypothesis and Conformal Field Theory

Session | **Location:** SINP, Auditorium, LH1

16:00
