

**Session Program**

**11-15 Dec 2017**

**9th International Workshop on Multiple  
Partonic Interactions at the LHC**

***WG3: Double Parton Scatterings***

Hotel Peterhoff, Shimla, India, Conference Hall

Wednesday 13 December

17:00

WG3: Double Parton Scatterings

Session | Location: Hotel Peterhoff, Shimla, India, Conference Hall

17:00-17:15 Review of DPS theory results from 2017

Speaker  
Jonathan Richard Gaunt

17:20-17:40 Double Parton Scattering with the ATLAS Experiment

Speaker  
Sandro Palestini

17:45-18:00 DPS Measurements at CMS

Speaker  
Ms Ankita Mehta

18:05-18:20 Double J/Psi production at LHCb

Speaker  
Vanya Belyaev

18:25-18:40 DPS studies with open charm hadrons at LHCb

Speaker  
Vanya Belyaev

18:45-19:00 Double-Parton-Scattering Theory Studies with quarkonia

Speaker  
Jean-Philippe Lansberg

19:05-19:20  
Production of two pairs of  $J/\psi$  mesons and simultaneous production of  $D^0$  and  $B^0$  mesons in the context of double parton scattering

Speaker  
Antoni Szczurek

19:45
