

**10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)**

Contribution ID: 361

Type: **not specified**

**Effective quantum states for trapped surfaces
(Session 1)**

Wednesday 6 December 2023 15:45 (15 minutes)

Presenter: CHATTERJEE, Ayan (Central University of Himachal Pradesh)

Session Classification: Workshop on Classical & Quantum Gravity
