

10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)

Contribution ID: 364

Type: **not specified**

Pole-skipping in holography with scalar-Gauss-Bonnet coupling (Session 2)

Wednesday 6 December 2023 14:45 (15 minutes)

Presenter: BAISHYA, Banashree (IIT Guwahati)

Session Classification: Workshop on Classical & Quantum Gravity
