

**10th International Conference on Gravitation and Cosmology: New Horizons and Singularities in Gravity (ICGC 2023)**

Contribution ID: 368

Type: **not specified**

## **An analytical approach to compute conductivity of p-wave holographic superconductors (Session 2)**

*Wednesday 6 December 2023 15:45 (15 minutes)*

**Presenter:** PARAI, Diganta (University of Hyderabad, PDRF)

**Session Classification:** Workshop on Classical & Quantum Gravity
