

**10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)**

Contribution ID: 369

Type: **not specified**

**Are multiple reflecting boundaries capable of
enhancing entanglement harvesting? (Session 2)**

Wednesday 6 December 2023 16:00 (15 minutes)

Presenter: BARMAN, Dipankar (Indian Institute of Technology Guwahati)

Session Classification: Workshop on Classical & Quantum Gravity
