

10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)

Contribution ID: 378

Type: **not specified**

Analysing the sensitivity of nuclear equation of state parameters with stellar observables using f-modes oscillations in Neutron Stars

Wednesday 6 December 2023 16:15 (15 minutes)

Presenter: Mr GUHA ROY, Debanjan (Birla Institute of Technology & Science Pilani, Hyderabad Campus, Secunderabad, Telangana, India)

Session Classification: Workshop on Gravitational Waves
