

**10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)**

Contribution ID: 384

Type: **not specified**

**Equation of states in the curved spacetime of
compact stars and their effects on tidal deformability**

Wednesday 6 December 2023 15:45 (15 minutes)

Presenter: HOSSAIN, Golam Mortuza (IISER Kolkata)

Session Classification: Workshop on Astrophysical Relativity
