

10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)

Contribution ID: 388

Type: **not specified**

**Using Big Bang Nucleosynthesis to constrain $f(R)$
gravity scalarons and primordial black hole masses
(Session 1)**

Wednesday 6 December 2023 14:45 (15 minutes)

Presenter: Mr TALUKDAR, ABHIJIT (Gauhati University)

Session Classification: Workshop on Cosmology
