

10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)

Contribution ID: 396

Type: **not specified**

**Model-independent reconstruction of the evolution
of dark energy using Gaussian process regression
(Session 2)**

Wednesday 6 December 2023 15:00 (15 minutes)

Presenter: DINDA, Bikash Ranjan

Session Classification: Workshop on Cosmology
