

**10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)**

Contribution ID: 398

Type: **not specified**

**Effects of Z3 symmetric dark matter models on
global 21-cm signal (Session 2)**

Wednesday 6 December 2023 15:30 (15 minutes)

Presenter: PAUL, Debarun (Indian Statistical Institute, Kolkata)

Session Classification: Workshop on Cosmology
