

10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)

Contribution ID: 413

Type: **not specified**

**“ENIGMA” - An aligned-spin eccentric IMR waveform
model for compact binary mergers**

Thursday 7 December 2023 14:30 (15 minutes)

Presenter: PAUL, Kaushik (Indian Institute of Technology Madras)

Session Classification: Workshop on Gravitational Waves
