

10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)

Contribution ID: 457

Type: **not specified**

Probing the nature of dark matter using gravitational-wave strong lensing

Friday 8 December 2023 16:00 (15 minutes)

Presenter: JANA, Souvik (International Centre for Theoretical Sciences (ICTS))

Session Classification: Workshop on Gravitational Waves
