

10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)

Contribution ID: 460

Type: **not specified**

Oscillating shocks in the transonic, viscous, variable Γ accretion flows around black holes

Friday 8 December 2023 15:00 (15 minutes)

Presenter: DEBNATH, Sanjit (Aryabhata Research Institute of Observational Sciences (ARIES), INDIA)

Session Classification: Workshop on Astrophysical Relativity
