

**10th International Conference on Gravitation and Cosmology: New  
Horizons and Singularities in Gravity (ICGC 2023)**

Contribution ID: 485

Type: **not specified**

**On the propagation of gravitational waves in  
matter-filled Bianchi I universe (Session 1)**

*Saturday 9 December 2023 16:30 (15 minutes)*

**Presenter:** DATTA, Sucheta (St.Xavier's College (Autonomous), Kolkata, India)

**Session Classification:** Workshop on Classical & Quantum Gravity
