

10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)

Contribution ID: 488

Type: **not specified**

An Effective Theory model for Black Hole Membranes from Constraints of Symmetry (Session 2)

Saturday 9 December 2023 15:30 (15 minutes)

Presenter: BHATTACHARYA, Swastik (BITS Pilani Hyderabad)

Session Classification: Workshop on Classical & Quantum Gravity
