

**10th International Conference on Gravitation and Cosmology: New
Horizons and Singularities in Gravity (ICGC 2023)**

Contribution ID: 496

Type: **not specified**

**A novel test of strong field gravity using binary
black hole ringdowns**

Saturday 9 December 2023 15:30 (15 minutes)

Presenter: BHAGWAT, Swetha (University of Birmingham)

Session Classification: Workshop on Gravitational Waves
