

10th International Conference on Gravitation and Cosmology: New  
Horizons and Singularities in Gravity (ICGC 2023)

Contribution ID: 503

Type: **not specified**

## **Astrophysical significance of tidal interaction between white dwarfs and intermediate-mass black holes**

*Saturday 9 December 2023 15:45 (15 minutes)*

**Presenter:** BANERJEE, Pritam (Indian Institute of Technology Kharagpur)

**Session Classification:** Workshop on Astrophysical Relativity
