

**Session Program**

**16-18 Nov 2023**

**Muon Collider Physics Benchmark Workshop**

***Friday Afternoon II***

# Friday 17 November

16:00

## Friday Afternoon II

Session | Convener: Ayres Freitas

16:00–16:15 **Low Energy Muon Beams**

**Speaker**

Cari Cesarotti

16:20–16:35 **Searching for Leptophilic  $Z'$  at Future Muon Collider**

**Speaker**

Ms Si Wang

16:40–16:55 **Composite Resonances at the High Energy Muon Collider**

**Speaker**

Dr Da Liu

17:00–17:15 **Inclusive Higgs Rate and Forward Detection at Muon Collider**

**Speaker**

Kunfeng Lyu

17:30
