

PITT PACC Workshop: Non-Standard Cosmological Epochs and Expansion Histories

Contribution ID: 5

Type: **not specified**

Block IV: Early Matter-Dominated Eras - Presentation

Friday 6 September 2024 09:00 (30 minutes)

Co-Discussion Leaders: Adrienne Erickcek, Jessie Shelton, Rouzbeh Allahverdi

This block is focused on early matter-dominated eras (EMDEs) and their phenomenological/observational consequences, including implications for dark-matter production and for structure on small scales.

Presenters: ERICKCEK, Adrienne; Dr SHELTON, Jessie (University of Illinois, Urbana-Champaign)
