

Session Program

21-24 Nov 2023

**ALICE-STAR India Collaboration Meeting,
November 2023**

***A tribute to Prof. Bikash Sinha (Padma
Bhushan)***

Computer Science and IT, Seminar Room

Tuesday 21 November

11:45

A tribute to Prof. Bikash Sinha (Padma Bhushan): Special Session

Session | **Location:** Computer Science and IT, Seminar Room | **Convener:** Anju Bhasin

11:45–12:15 **Bikash Sinha- A Life for Physics**

Speaker

Prof. Dinesh K Srivastava

12:15–12:45 **Heavy Quarks in Hot and Dense QCD Medium**

Speaker

Prof. Mohd Golam Mustafa Munshi

12:45–14:15 **Lunch Break**

14:15–14:45 **Effects of QCD critical point on spin polarization**

Speaker

Prof. Jane Alam

14:45–15:15 **Observation of polarized hadrons in high energy heavy-ion collisions**

Speaker

Bedangadas Mohanty

15:15–15:45

Beyond the Horizon: Bikash Sinha and the thermodynamics of the Little Bang

Speaker

Tapan Nayak

15:45–16:05 **Tea Break**

16:05
