

XXV DAE-BRNS High Energy Physics Symposium 2022

Contribution ID: 3

Type: Poster

Dark matter within the framework of minimal extended seesaw

Friday 16 December 2022 14:00 (1 hour)

Dark matter within the framework of minimal extended seesaw

Session

Beyond the Standard Model

Author: KHAN, Najimuddin (Harish-Chandra Research Institute (HRI))

Co-authors: Prof. DAS, Mrinal Kumar (Department of Physics , Tezpur University); Dr DAS, Pritam (Indian Institute of Technology Guwahati)

Presenter: KHAN, Najimuddin (Harish-Chandra Research Institute (HRI))

Session Classification: Poster - 4
