- Nano-electronics/systems

1st Announcement & Call for Abstracts

Welcome messages

On behalf of the Nanotechnology Association of Thailand and Suranaree University of Technology, we are pleased to announce and cordially invite you to The 5th Thailand International Nanotechnology Conference (NanoThailand 2016: “Synergetic Nanotechnology for Innovations and Sustainable Developments”), which will be held during November 27-29, 2016 at Greenery Resort Khao Yai Hotel, Nakhon Ratchasima, THAILAND. This conference is the follow up of the successful series of bi-annual meetings, most recently held at Thailand Science Park, Pathumthani, Thailand (NanoThailand 2014).

The aim of this conference is to promote international exchanges of discussion between researchers in nanotechnology and practitioners from academia and industry through plenary and invited lectures, oral and poster presentations, as well as workshop on the progress in various fronts of nanotechnology and related topics.

We look forward to welcoming you to the beautiful mountain-view hotel near Khao Yai National Park with your active participation. Please circulate this mail to your colleagues and appropriate groups that might be interested in NanoThailand2016.

After a peer-review process, all accepted papers will be published in ISI, Scopus or TCI journals. (List of journals will be announced on the website soon)

Should you have any inquiries, please feel free to contact the NanoThailand2016 Secretariat at E-mail: NanoThailand5@gmail.com

Sincerely Yours,

Prof. Sukit Limpijumng and Prof. Santi Maensiri
Chairs of the Organizing Committee of NanoThailand2016
Suranaree University of Technology, Thailand
