### A016: Magnetic and Semiconductor (Poster)

Poster Session | Location: Ayutthaya Room

#### **Fabrication and magnetic properties of $\text{Co}_{0.05}\text{LaTi}_{0.95}\text{O}_3$ nanofibers**

**Speaker**

Dr Wichaid Ponhan

#### **Thermal decomposition synthesis and magnetic properties of crystalline zinc oxide powders**

**Speaker**

chalita wisetrinthong

#### **Effect of Seed Layer on Growth of Rutile $\text{TiO}_2$ Nanorods**

**Speaker**

Aschariya Prathan

#### **The Residue Resulting from the Earth's Magnetic Field Cancellation Using Spherical Coils**

**Speaker**

Warisara Charuchinda
