

Session Program

15-17 May 2019

**The Mitchell Conference on Collider, Dark
Matter, and Neutrino Physics 2019**

Phenomenology and Model Building

Friday 17 May

16:50

Phenomenology and Model Building

Session

16:50-17:15

Vector Self-Interacting Dark Matter

Speaker

Flip Tanedo

17:15-17:40

Proton Decay and Sparticle Spectroscopy

Speaker

Ilia Gogoladze

17:40-18:05

The Possible Upper Bounds on the Sparticle Masses

Speaker

Prof. Tianjun Li

18:05
