

Session Program

6-7 Oct 2021

Magnificent CEvNS 2021

***Reactor neutrino spectrum and low energy
excess talk***

Thursday 7 October

10:20

11:00

Reactor neutrino spectrum and low energy excess talk

Session | Convener: Daniel Pershey

10:20-10:30 Reactor flux predictions for CEvNS experiments

Speaker

Dr Anthony Onillon

10:32-10:47 Excess workshop

Speaker

Rupak Mahapatra
