

Session Program

13-15 Dec 2023

The 1st International Workshop on TeV Muon-Ion Colliders

Session I

Rice University, 227 Herman Brown Hall
6100 Main Street Houston, TX 77005 USA

Wednesday 13 December

08:45

Session I: Physics and Muon Collider Overviews

Session | **Location:** Rice University, 227 Herman Brown Hall, 6100 Main Street Houston, TX 77005 USA | **Convener:** Wei Li

09:00–09:15 **Welcome and Introduction**

09:15–09:55 **Physics Motivations for Muon-Based Colliders**

Speaker
Karri Folan Di Petrillo

09:55–10:35 **Outcome of US High Energy Physics P5 2023**

Speaker
Dr mark Palmer

10:35
