

Session Program

13-15 Dec 2023

**The 1st International Workshop on TeV Muon-
Ion Colliders**

Session II

Rice University, 227 Herman Brown Hall
6100 Main Street Houston, TX 77005 USA

Wednesday 13 December

11:00

Session II: Physics and Muon Collider Overviews

Session | **Location:** Rice University, 227 Herman Brown Hall, 6100 Main Street Houston, TX 77005 USA |

Convener: Darin Acosta

11:00–11:40

Introduction to Muon Collider Concept and US HEP efforts

Speaker

Sergo Jindariani

11:40–12:20

Small-x physics: status, open questions and opportunities

Speaker

Feng Yuan

12:20
