

Session Program

13-15 Dec 2023

The 1st International Workshop on TeV Muon-Ion Colliders

Session VII

Rice University, 227 Herman Brown Hall
6100 Main Street Houston, TX 77005 USA

Thursday 14 December

13:30

Session VII: Detectors at Muon Colliders and Synergies

Session | **Location:** Rice University, 227 Herman Brown Hall, 6100 Main Street Houston, TX 77005 USA |

Convener: Maria Chamizo Llatas

13:30–14:10

Detector at Muon Colliders / Machine-Detector Interface

Speaker

Donatella Lucchesi

14:10–14:50

Discussion on Muon collider technology, Beam Induced Background, design considerations for MuC etc.

Speaker

Maria Chamizo Llatas

14:50
