

Session Program

13-15 Dec 2023

**The 1st International Workshop on TeV Muon-
Ion Colliders**

Session X

Rice University, 227 Herman Brown Hall
6100 Main Street Houston, TX 77005 USA

Friday 15 December

10:40

Session X: Synergies, Workshop summary

Session | **Location:** Rice University, 227 Herman Brown Hall, 6100 Main Street Houston, TX 77005 USA |
Convener: Prof. Fred Olness

10:40–11:20

Building synergies between the NP and HEP collider physics communities

Speaker

Maria Chamizo Llatas

12:00

11:20–12:00

Workshop Summary and Path Forward
